Scholarships/Fellowships Awarded

Professional History *can also attach a CV*

Please include dates, organizations, and positions held.

EWRI Involvement

List EWRI activities including the offices held, committee membership, etc. Indicate whether the activity was at the Chapter, National, or International level. Briefly and succinctly describe the most significant involvement.

Other professional activities

List other activities including professional society, association, or institution memberships. Briefly and succinctly describe the candidate's significant involvements and positions held. Include the name of organizations, grade of membership, and date originally joined.

Recognition

List significant awards, honors, and recognitions accorded to the candidate that relate to environmental engineering or a related field. List awards from EWRI, ASCE, other professional associations, government, civic associations, etc. Indicate whether they were national, international, regional, or local; governmental or educational, etc. Include the years of all awards received.

Publications

List the most significant books, articles, and presentations that relate to environmental engineering or a related field authored by the candidate.

Application Certification

I, the candidate named in this application, certify that to the best of my knowledge and belief the statements contained in this application are true in substance and effect and are made in good faith.
