The Environmental & Water Resources Institute of ASCE

1801 Alexander Bell Drive
Reston, VA 20191

ASCE
AMERICAN SOCIETY OF CIVIL ENGINEERS

THE ENVIRONMENTAL & WATER RESOURCES INSTITUTE

The knowledge and the opportunities to advance the practice of environmental engineering at every stage of your career.

www.ASCE.org/EWRI

Providing you with the knowledge to do it is ours.

ASCE members can join EWRI for **FREE**,* as part of your ASCE membership. By becoming part of EWRI's member community, you'll excel thanks to timely technical literature, professional advocacy updates affecting your specialty, leadership and education opportunities to grow at every career stage, and more!

Here are just a few of the benefits you get as a member of EWRI:

- Networking opportunities with a diverse population that combines technical expertise with practice/academic perspectives and includes engineers as well as non-engineering professionals.
- Opportunities to join EWRI technical and task committees and shape the profession's future.
- Remain current in the profession through ASCE/EWRI-sponsored online databases, such as the Stormwater Best Management Practices (BMP) Database, the Joint EWRI-AFS Fish Passage Reference Database, and ASCE/EWRI publications.

- Influence domestic and international water resource and environmental policy through EWRI's affiliation with ASCE's Government Relations, the World Water Council, and U.S. Water Partnership.
- Participate in EWRI's new lineup of online seminars at a discounted rate.
- Meet the next generation of environmental engineers at EWRI's student competitions and challenges that exhibit the knowledge and research of our profession's future.

* One may also join EWRI as an Institute-only member or join multiple Institutes. See dues pricing at www.ASCE.org/dues.

EWRI AND YOUR CAREER ADVANTAGE

Your EWRI membership grants you access to the resources you need to enhance your expertise in the areas of developing environmentally sound and sustainable infrastructure at every career stage.

EARLY CAREER

- Enroll in the ASCE P.E. Exam Review course to help you earn your first important career milestone through expert-led webinars; you can also download recordings on-demand for no additional cost.
- Join your local EWRI chapter or local technical committee or group to build your professional network.

MID-CAREER

- Drive the industry and your career forward by joining any one of EWRI's 100+ technical and administrative committees.
- Show your expertise to clients and colleagues by earning certifications from allied organizations, such as the American Academy of Water Resources Engineers (AAWRE) and the American Academy of Environmental Engineers (AAEE).

LATER CAREER

- Stand and be recognized for your accomplishments with EWRI honors and awards.
- Gain visibility for you and your employer by publishing journal articles; showcase your expertise by presenting at EWRI conferences.

AND THROUGHOUT YOUR CAREER, EWRI MEMBERSHIP HELPS YOU:

- Learn the latest practices and research updates with EWRI's six journals, as well as the newest methods being applied to challenges in your specialty.
- Get the latest EWRI news through *Currents* and *e-Update*, EWRI's free e-newsletters, on events and opportunities for you to increase your network, knowledge, and leadership skills.
- Focus on environmental engineering's trends, challenges, and solutions with EWRI publications, such as *Bioenergy and Biofuel from Biowastes and Biomass*, and manuals related to today's environmental and water resource issues — exclusive to EWRI members.
- Expand your industry knowledge by attending EWRI conferences, seminars, and webinars — EWRI members save on registration.
