

## Bicycle Rental

<http://www.bicyclemichaels.com/>

A bicycle is a good way to see some of the sights in New Orleans. The routes that are given in the jogging tours can also be done by bicycle. There is presently only one bicycle rental shop in New Orleans remaining after Katrina, and that is Michaels Bicycle, 622 Frenchman Street. The phone number is 504-945-9505. It is a 1.3 mile (2.1 km) walk from the Intercontinental Hotel. To get there from the InterContinental, from the hotel front entrance on St. Charles go right and take the first right to Perdido Street, then go one block to Camp Street and turn left. Follow Camp Street across Canal Street, and it becomes Chartres Street. Follow Chartres Street past the cathedral and continue until Frenchman Street. Turn left, and Michaels Bicycle is on the left side a short distance up the street.
