

2005 ASCE - EWRI ENVIRONMENTAL & WATER RESOURCES ENGINEERING STUDENT PAPER COMPETITION

A chance to develop leadership and presentation skills at the EWRI conference

What?

- ⇒ The Student Paper Competition is an annual event sponsored by the Environmental and Water Resources Institute of American Society of Civil Engineers
- ⇒ Any technical or editorial subject related to environmental/water resources is appropriate for this competition.
- ⇒ Judging will be done by members of the ASCE EWRI Student Activities Council and engineers from industry on the following basis:

➤ Technical Content	35%
➤ Demonstrated Knowledge	20%
➤ Originality	25%
➤ Presentation	10%
➤ Clarity	10%

Who?

Any member of a recognized ASCE student chapter may enter a paper that has not won a prize in any previous national competition.

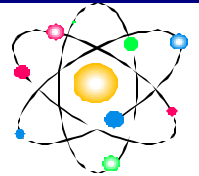

The paper must be completed with minimal faculty involvement.

Two categories will be considered; graduate and undergraduate.

Previous winners in the undergraduate category may enter only in the graduate category.

Grand prizewinner are not eligible for future competitions.

Great opportunity for CE students to work on research and resume building.

How?

- ⇒ Format: single spaced, with a 1/2 page abstract, 12 point font, 1 inch margins
- ⇒ Length: 6-8 pages, one-side, standard 8 1/2 x 11 inch paper
- ⇒ Do not put your name or affiliation anywhere on the paper.
- ⇒ Contact Dr. Leonard at Leonard@cee.uah.edu for more information
- ⇒ Your ASCE faculty advisor must complete an original paper copy of eligibility form for each paper by 2/11/05.

When?

- ⇒ Electronic version must be received by February 11, 2005
- ⇒ Winners will be notified by March 15th.
