Membership benefits to help you excel at every step of your career path

ASCE strives to be your professional home within the civil engineering community. Whatever it is you need to excel in your career – we have it here. ASCE membership provides convenient, cost-saving personal benefits and career resources to help you build and maintain a distinguished and accomplished career in civil engineering.

ASCE members have access to a range of benefits and quality information on technical and professional issues related to civil engineering:

- **Career Connections:** Get one-stop, online career advancement advice and access to current opportunities, qualified candidates, job postings, and compensation information at www.asce.org/careers.
- **Engineers Without Borders — USA (EWB):** ASCE’s new relationship with EWB can bring you together with fellow civil engineers to improve the lives of developing communities worldwide. Join EWB as a Supporting Member today for the discounted price of \$40 and visit www.asce.org/ewb for more information.
- **News & Benefit Updates:** Subscribe to the ASCE eNewsletter for the latest ASCE news, and read ASCE News and *Civil Engineering* magazine online or in print.
- **Member Discounts on Technical and Professional Publications:** Choose from more than 1,200 technical journals, standards, proceedings, and manuals of practice to get the specialized information you need. Browse the current title selection online.
- **Conferences:** Gain professional recognition and share your practical and practice-oriented knowledge at an upcoming ASCE conference.
- **Continuing Education, Distance Learning, and On-site Training:** Register for seminars, distance learning, interactive Web seminars, and on-site training offerings at member rates, as well as P.E. and F.E. exam review opportunities and test preparation options for the GRE, GMAT, LSAT, and SAT.
- **Local Sections & Branches:** Make connections with your local colleagues and get additional benefits by joining your local ASCE Section or Branch. Many Sections have Younger Member groups for members age 35 and under.
- **ASCE-sponsored personal and financial programs:** Get special group rates and discounts on a full range of insurance, financial, and consumer services that can save you money.

For more information on these and other benefits: visit www.asce.org

MEMBERSHIP DUES

Members, Associate Members, and Affiliate Members (not recent B.S. grads).....**\$205 annually**

Associate Members and Affiliate Members who are recent recipients of a Bachelor’s degree are entitled to a sliding dues schedule, based upon the year the Bachelor’s degree was granted:

| | |
|---|-----------------------|
| Year of graduation | \$50 annually |
| First year after degree | \$50 annually |
| Second year after degree | \$80 annually |
| Third year after degree | \$115 annually |
| Fourth year after degree | \$155 annually |
| Fifth year after degree and thereafter | \$205 annually |

Residency: If you reside outside the United States, you may be eligible for a discount based upon your place of residence (source: World Bank World Economic Development Indicators). Go to www.asce.org/membership/intlmembdues.cfm to view the discount list.

Prorated Dues: Dues are prorated at specific times during the membership year. To view the proration schedule please access www.asce.org/membership/membdues.cfm.

Payments: All payments must be in U.S. dollars, payable through a U.S. bank, or by internationally acceptable credit card. Once payment has been received and processed, you will be admitted or reinstated to membership.

Section/Branch Dues: Section and Branch dues are not included in the membership dues listed above. Members are encouraged to participate in their assigned Section/Branch.
