

INDEX OF NEWSLETTER ARTICLES
THE ENGINEERS FORUM ON SUSTAINABILITY
(formerly The Engineers Forum on Sustainable Development)

OCTOBER, 1997 - December, 2001

All articles can be found on the web at www.asee.org/neic/efsd/

- Date of newsletter is represented in parentheses -

GOVERNMENT

DOE Sustainable Development Center Offers Tool Kit (10/97)
Commerce Department Promotes U.S. trade in Environmental Technologies (10/97)
PCSD Meets in Tulsa (10/97)
U.S. Government-NGO Meeting Held on U.S. Implementation of Agenda 21 (10/97)

Congressional Caucus on Sustainable Development Formed (2/98)
White House Conference Held on Corporate Environmental Monitoring (2/98)
PCSD Hosts Community Forum in Atlanta (2/98)

Navy Developing Resource for High Quality, Sustainable Facilities (5/98)
Environmental Technology Verification Program Workshop Held (5/98)
PCSD Calls for National Summit (5/98)

EPA Coordinating Smart Growth Network (9/98)
DOE Publication "The Energy Yardstick" Available (9/98)
Chattanooga "Smart Park" Project Presented at Forum (9/98)
Update on EPA Environmental Accounting Project (9/98)
NSF/DOE Workshop Scheduled on the Carbon Problem (9/98)
GSA Invites Participation in Planet GSA Events (9/98)

Successful Town Meeting Held in Detroit by PCSD (5/99)
Administration Pursues "Livability Agenda" (5/99)
National Assessment on Climate Change Initiated (5/99)

PCSD Issues Final Report (7/99)

Federal Transportation Management Strategy Proposed (2/00)
COG Telework Resource Center Promotes Air Quality (2/00)
U.S. Forest Service to Use Sustainability Indicators (2/00)

BFRL Focusing on Metrology for Sustainable Development (5/00)
Maryland Invests in Smart Growth/Smart Transportation Program (5/00)
EPA Promotes Environmental Purchasing Practices (5/00)

Maryland DNR Practices Sustainability (1/01)
Congressional Briefing Held on Smart Growth Policy Agenda (1/01)
NAE Hosts Symposium on Earth Systems Engineering (1/01)

"USACE" Environmental Strategy" by Robert Flowers (5/01)
Metropolitan East Coast Region Does climate Change Assessment (5/01)
Summit Held on "Sustainable Federal facilities" (5/01)
Energy Star Program Gains Momentum in Energy Crisis (5/01)
EPA Defines Green Engineering (5/01)

"Sustainability and Environment: Art vs. Science" by Dennis Treacy (12/01)
Sustainable Federal Facilities Report Available (12/01)
Fort Bragg Sets Goals for Long-term Sustainability Planning (12/01)
Briefing on Wind Power Held (12/01)
Legislative Proposals on Renewable Energy Sources Discussed (12/01)

ACADEMIA

Sustainability a High Priority at Georgia Tech (10/97)

International Conference Underscores Need for Sustainable Education (2/98)
SUNY's EFS Program Has a Strong Focus on Sustainability (2/98)
Environmental Engineering Sciences Expanded at University of Florida (2/98)
Georgia Tech Committed to Creating a Sustainable Society (2/98)

Sustainability Being Addressed in Engineering Education (9/98)

Virginia Tech Expands Green Engineering Program (7/99)
Cooper Union Offers Globetech Simulation Project (7/99)
NJIT Sustainability Initiative Presented at Forum (7/99)

Georgia Tech Undertakes Sustainable Housing Initiative (2/00)
McGill School of Environment Created (2/00)

Forum Briefed on Environmental Careers Organization (5/00)

Campuses Move Toward Sustainability (1/01)
Georgia Tech Offers Sustainable Facilities and Infrastructure Program (1/01)

Virginia Tech "Green" Engineering Conference Planned (5/01)

Guide to Green Engineering of Chemical Processes Published (12/01)

PROFESSIONAL ORGANIZATIONS

AAES Represents U.S. in WFEO (10/97)
ASCE to Develop Guidelines for Sustainable Development Practices (10/97)
CERF Continues to Promote Global Research Agenda (10/97)

RNRF Planning Congress on Human Population Growth (10/97)
FMS Holds Workshop on Sustainable Materials (10/97)
Public Works Professionals Weigh in on Sustainable Development (10/97)

AAES Participates in WFEO General Assembly (2/98)
Sustainability Highlighted at ASCE Convention (2/98)
CERF Moves Toward Implementing Global Research Agenda (2/98)
FMS Holds Second Workshop on Materials and Sustainability (2/98)
RNRF Updates Policy Principles for Renewable Natural Resources (2/98)
TRB Publishes Report on Sustainable Transportation (2/98)

FMS Issues Workshop Report on Materials and Sustainability (5/98)
RNRF Congress on Human Population Growth Scheduled (5/98)
ASCE Updating Policy Statements to Reflect Sustainable Development (5/98)
CIB/CERF 1998 International Sustainable Development Forum Set (5/98)
APWA Includes Sustainable Development in Strategic Plan (5/98)

EPRI Offers "Smart Places" Planning Tool (9/98)
APA Publishes Planners Guide to Sustainable Development (9/98)
RNRF Addresses Impact of Population Growth (9/98)
APWA Launches Sustainable Development Web Site (9/98)
Update on AAAS Population and Sustainable Development Program (9/98)

ASEE Developing Policy on Sustainability in Engineering Education (5/99)
CERF to Host Symposium, Showcase in 2000 (5/99)
AAES earth Charter Task Force Studies Current Drafts (5/99)

ASEE Adopts Statement on Sustainable Development Education (7/99)
Engineers Sponsor Sustainability Panel at United Nations (7/99)
NACRE Announces Solar Stewardship Initiative (7/99)
RNRF Planning 2000 Sustainability Congress (7/99)

TRB Holds Symposium on Transportation and Sustainability (2/00)
Engineering Input to Earth Charter Continues (2/00)
NACRE Solar Stewardship Initiative Progresses (2/00)

ANS Publishes Brochure on Sustainable Development (5/00)

RNRF Congress Held on Promoting Sustainability (1/01)
ASCE Planning World Congress on Disaster Reduction Workshop (1/01)

New ASCE Committee to Promote Sustainable Development (5/01)

Nuclear Power as a Sustainable Energy Source (12/01)
AECF Promotes energy Conservation (12/01)

INTERNATIONAL

World Bank Holds 5th Conference on Sustainable Development (10/97)
WEPSD to Conduct Project on Recycling Wastes for Agriculture (10/97)

WEPSD Reports Initial Findings on Recycling Waste for Agriculture (2/98)
World bank Conference Focuses on Sustainable Development (2/98)

WFEO/ComTech and AAES Sponsor Panel on Freshwater Issue (5/98)
UNESCO Web Site Being Developed on Sustainable Development (5/98)
The U.S. and China Cooperating on Energy Futures (5/98)
WEPSD Completes Phase I Study on "Recycling Waste for Agriculture" (5/98)
WB Roundtable Discussion Held on the Evolution of the Earth Charter (5/98)

Earth Charter Discussed at the Next Forum Meeting (9/98)
WFEO Working Toward a Single Global Code of Ethics (9/98)
WEPSD Plans Future Activities (9/98)

ICIS Conference Addresses Infrastructure and Sustainability (5/99)

GEF Promotes Technology Transfer and Training (7/99)

WFEO General Assembly Meets in Madrid (2/00)
UNEP Meeting Held on Assessment of Sustainable Projects (2/00)
GEF Seeks to Expand Private Sector Engagement (2/00)

Millennium Ecosystem Assessment Planned (5/00)
Earth Charter Initiative Advances (5/00)
Follow-up on UNEP Meeting on Investment for Sustainable Development (5/00)
Environmental Dialogue Between Religion and Science Published (5/00)
WBSD and World Bank to Promote Sustainable Business Ethics (5/00)
ComTech Presents Engineering Panel at UNCSD (5/00)

Critical Ecosystem Partnership Launched (1/01)
Virtual Library Planned for Sustainable Development (1/01)

AAES and WFEO Sponsor U.N. Panel on Energy Efficiency (5/01)
Overview of World Water Forum Presented (5/01)

How to Market Sustainability (12/01)
Update on WFEO ComTech Activities (12/01)
World Scientists' Warning to Humanity -Revisited (12/01)

OTHER ORGANIZATIONS AND DEVELOPMENTS

NAE Partners in Planet Neighborhood Project (10/97)
NRC Board Conducting Sustainable Transition Study (10/97)
New Reports on Materials and Energy Flows Due in November (10/97)
JCSD Publishes First Edition of Newsletter (10/97)
RAND Issues Sourcebook on Sustainable Communities (10/97)
Renew America Initiates Monitoring and Awards Projects (10/97)
NEETF to Host Corporate Environmental Monitoring Conference (10/97)

National Town Meeting Teleconference on Climate Change (2/98)
NGOs Continue Dialog with Clinton Administration (2/98)

Renew America Holds National Town Meeting (5/98)
NAS Holds Symposium on Transition to Sustainability (5/98)

IBM Eco-Industrial Alliance Highlights AAES Affiliated Event (5/99)
Networks Supporting Sustainable Development Multiply (5/99)
"The Bridge" Features Sustainability and Environmental Issues (5/99)
Foundations Launch Finders' Network on Smart Growth and Sustainability (5/99)
Environmental Alliance for Senior Involvement (EASI) Growing (5/99)
2000 Dubai Award for Best Practices Announced (5/99)

GETF to Build Sustainable USA Network (7/99)
Professionals' Alliance for Sustainable Development Being Created (7/99)
NEETF Survey Identifies Environmental "Myths" (7/99)
Environmental/Sustainability Grants Announced (7/99)
Allenby Authors New Textbook on Industrial Ecology (7/99)

NRC Report on Transition to Sustainability Released (2/00)
Environmental Literacy Council Formed (2/00)
Women's Network for a Sustainable Future Organization (2/00)
New Environmental Health Grantmaker Network Launched (2/00)

"Sustainable Consumption" by Norman Myers (5/00)
Forum on Religion and Ecology Organized (5/00)
Report Designed on State of Nation's Ecosystems (5/00)
RAND Publishes "Technology Forces at Work" (5/00)

"Sustainable Engineering for Cities" by William J. Carroll (1/01)

CBF's New Environmental Center Reduces Energy Costs by 70% (5/01)
