

**APPLICANT'S NAME** \_\_\_\_\_

Thank you for your interest in ASCE membership. In some cases, an applicant for admission or advancement must supply the names and address of **three (3) ASCE Members or Fellows** who have personal knowledge of the applicant's work. Please indicate below the referees from whom we may request written references, if needed. If you are unable to provide three ASCE references, the following may be substituted:

- (1) Legally registered engineers or land surveyors; **OR**
- (2) Founder Society (ASME, IEEE, AIME, or AIChE) members in comparable grades acceptable to the Membership Application Review Committee (MARC); **OR**
- (3) Members of engineering societies with which ASCE has International Agreements of Cooperation in comparable grades acceptable to the MARC.

**Please indicate reference information below. Please print all requested information.**
