

Take the Plunge
into
SPEED MENTORING

at the
2012 ERYMC
Nashville, Tennessee
Sheraton Music City Hotel
January 19, 2012 from 5pm to 7pm

- Opportunity to interact with local high school students who participate in a Civil Engineering & Urban Planning STEM Academy
- “Speed Dating” format: students will rotate around the room, talking to each engineer for a fixed amount of time about college, career options, and “life as an engineer”
- Provide students with valuable experience interacting one-on-one with civil engineers
- Refreshments provided!
- No cost to participate!
