

Charles Pankow Award for Innovation Nomination Form

Nominations for the Charles Pankow Award for Innovation require submittal of:

- A cover letter signed by the nominator
- An Official Award Nomination form with attachments as specified

Please use one form for each entry. Refer to the Application Checklist for required attachments. Electronic submissions accepted. Send a single PDF of the complete entry package to awards@asce.org.

DEADLINE: Entries are due by 5:00 pm Eastern Time on March 20. If March 20 occurs on a weekend, the deadline is automatically extended to 5:00 pm Eastern Time on the next business day.

APPLICATION CHECKLIST

Entries for the Charles Pankow Award for Innovation should be presented in the following order:

- Nominator's cover letter.
- The completed, signed, entry form
- Addendum A: Innovative Technologies – Must demonstrate innovative design, materials, or construction-related research transferred into practice. Describe in detail the applicant's innovative characteristics. Describe and explain the design, materials, or construction-related technology or process and where it has been applied.
- Addendum B: Collaborative Research and Implementation – Must demonstrate that collaboration was involved during any part of the cycle from development to application. Document how the entry is a result of collaborative research and implementation from development to application of the technology. Collaborating parties must be identified and include representatives from at least two of the following three sectors: academia, industry, and/or government. You must list contact information for all collaborating organizations.
- Addendum C: Impact on Construction Industry Performance – Must demonstrate innovative approaches that have a positive impact on society. Describe the impact of this technology on construction industry performance.
- Addendum D: Provide an illustration, photograph, or drawing that visually depicts the innovation.

My signature below indicates that I understand all material submitted becomes the property of ASCE and may be publicly distributed. Furthermore, I agree to provide any information, upon request, to be used for press or promotion of the Award.

Signature

Date

Deadline for all entries is 5:00 pm Eastern Time, March 20.

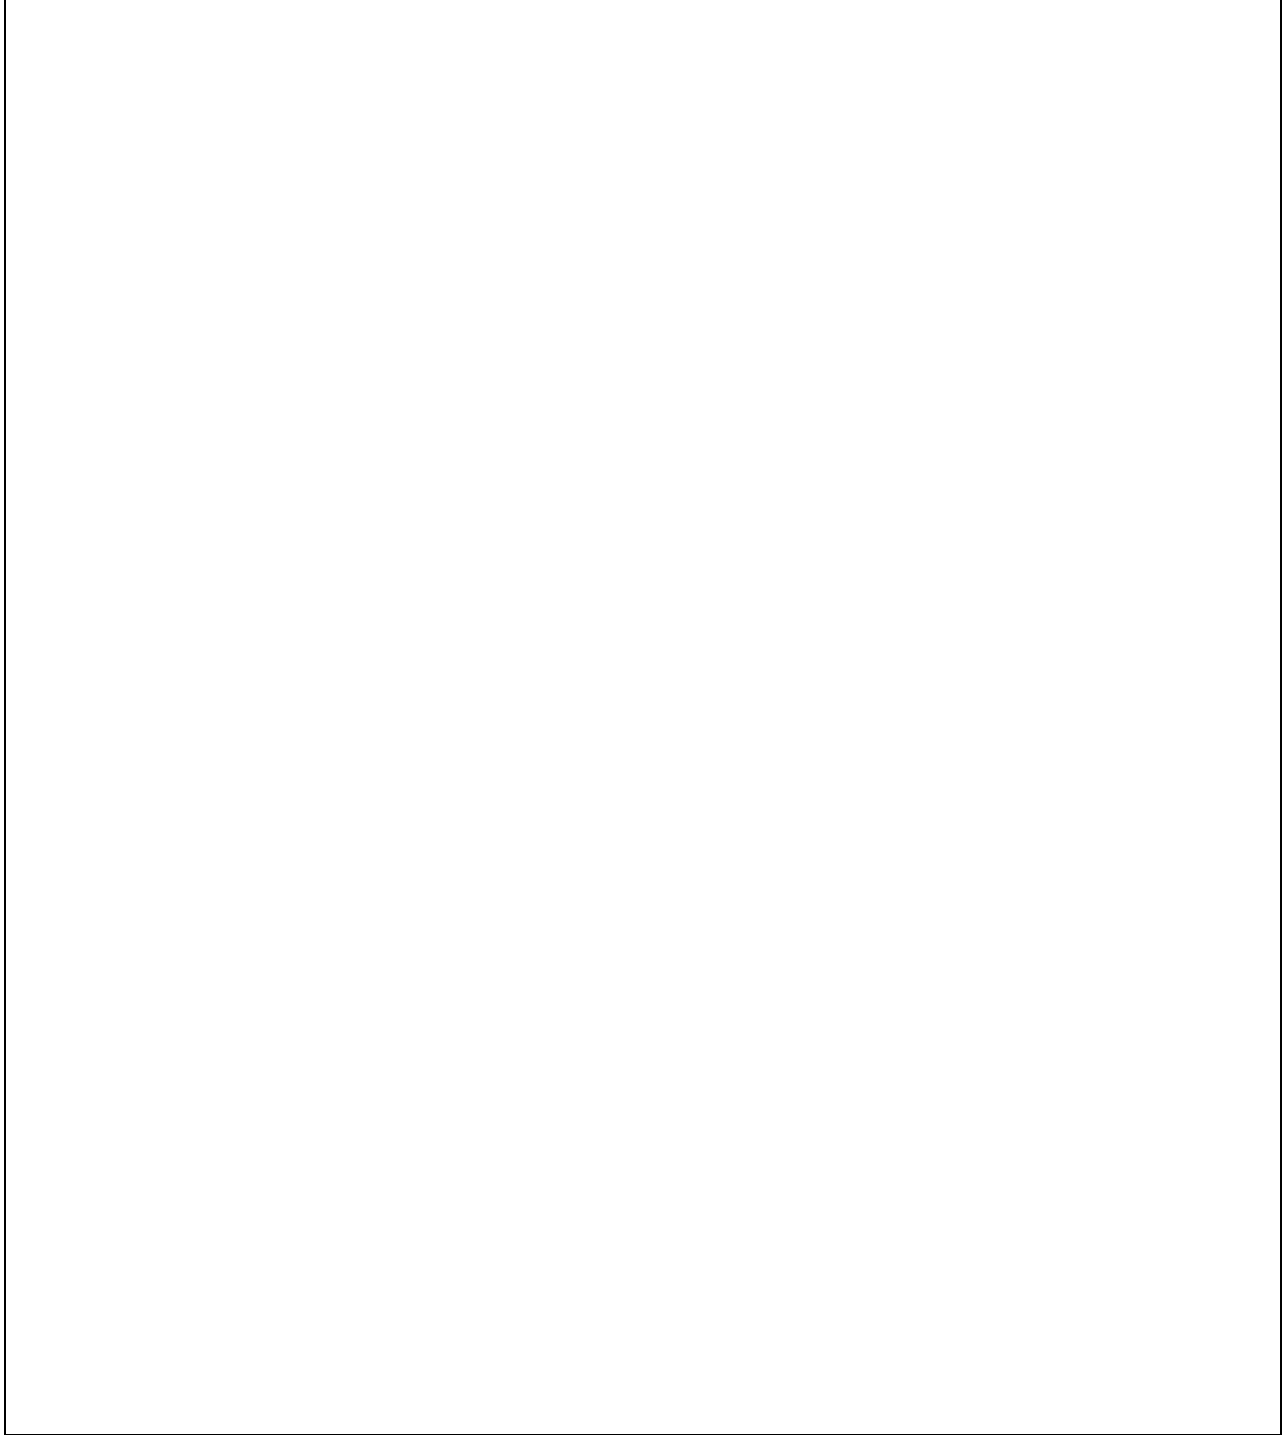

Updated August 17, 2021

ADDENDUM A (Page 1 of 2)

Describe in detail the applicant's innovative characteristics.

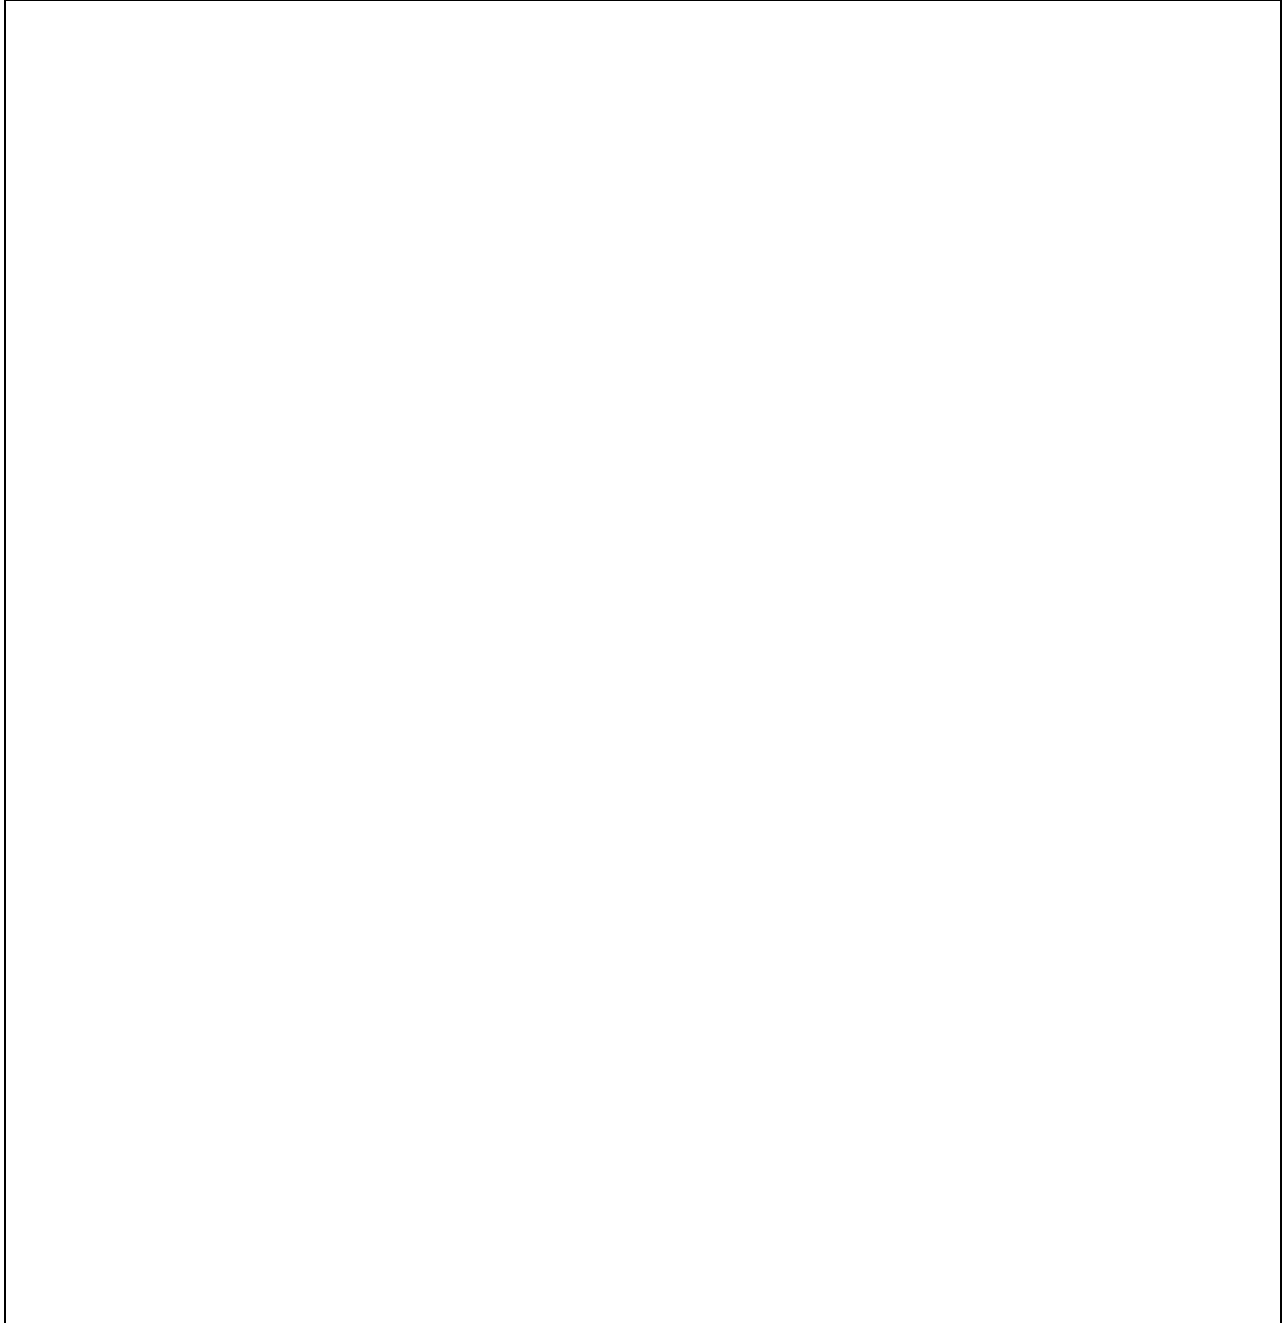

ADDENDUM A (Page 2 of 2)

Describe and explain the design, materials, or construction-related technology or process and where it has been applied.

ADDENDUM B (Page 1 of 4)

Document how the entry is a result of collaborative research and implementation from development to application of the technology.

A large, empty rectangular box with a thin black border, intended for the user to document the collaborative research and implementation process. The box is currently blank.
