

Memorandum of Understanding (MOU)

Authorizing the Creation of the _____ Utility Engineering & Surveying Institute Chapter of ASCE

The Utility Engineering & Surveying Institute (UESI) of ASCE and the _____
Section/Branch of ASCE agree to this MOU authorizing the creation of the _____ UESI
Chapter for the purpose of advancing the utility and surveying industry through a collaborative and a mutually
beneficial affiliation.

The Utility Engineering & Surveying Institute shall:

- Authorize the _____ Section/Branch to use the UESI registered mark with
the name _____ UESI Chapter.
- Provide a link to the UESI Chapter website on the UESI website.
- Post events and meetings of the UESI Chapter on the UESI website based on information provided by the
UESI Chapter.
- Inform UESI Chapter about other Chapter meetings.

The _____ Section/Branch will create the _____
UESI Chapter, which shall:

- Advance the utility and surveying industry in a manner consistent with the purpose of the American
Society of Civil Engineers and the Utility Engineering & Surveying Institute.
- Promptly begin to organize and plan meetings and events.
- Have its membership open to all members of the American Society of Civil Engineers or UESI who
subscribe to the rules of the _____ UESI Chapter and who have satisfied
current dues requirements of the Section/Branch or the _____ UESI
Chapter and who are residents or employed within the Section/Branch area.
- Use of the UESI logo on all Chapter correspondence in accordance with UESI guidelines and standards.
- As needed, draft Bylaws or Operating Rules, a sample of which is available on the Geo-Institute's website
at <http://content.geoinstitute.org/groups/index.html#HowToAffiliate>.

This MOU shall remain in effect indefinitely or may be terminated, in writing, by any of the parties at any
time.
