

## WHO WE ARE

The American Society of Civil Engineers (ASCE) was founded in 1852 and represents more than 150,000 members of the civil engineering profession in 177 countries. ASCE is a leading provider of technical and professional conferences and continuing education, the world's largest publisher of civil engineering content, and an authoritative source for codes and standards that protect the public.

## HOW DOES MY ORGANIZATION BENEFIT?

- Your DOT will gain access to the industry's leading training, workforce recruitment assistance, and civil engineering knowledge.
- Connect your engineers with others who are leading advocacy for infrastructure investment, setting standards for the profession, and driving innovation.
- Your program representative will provide reports to help you track the usage and value of your partner services.

## HOW DO MY EMPLOYEES BENEFIT?

- See more at [www.asce.org/member-benefits](http://www.asce.org/member-benefits).
- All your employees will receive a 20% discount on ASCE continuing education products, including live and on-demand webinars and seminars, P.E. exam review courses, and guided online courses.
- Your ASCE members receive as part of their membership 10 PDHs, AccessEngineering - an online references library, and additional discounts on specialty conferences, education, and publications including standards like ASCE 7.
- Your employees receive a 25% discount on ASCE national membership dues when they join or renew.

## NO COST TO PARTICIPATE

There is no fee to participate in the program.

### Individual Payments Option

DOT employees continue to pay their individual Society dues directly to ASCE but at the discounted rate. Your DOT pays nothing unless you choose to take advantage of the opportunity to purchase other discounted products from ASCE for your organization.

## PROGRAM FAQs

### Who can participate?

Any U.S. State Department of Transportation with a willingness to communicate program discounts to its employees and allow ASCE to promote membership to DOT employees.

### How do I enroll?

ASCE and your DOT will agree to Terms and Conditions that describes mutual goals of the partnership, acknowledges your participation, and provides instructions for how to join or renew, and discounts you will receive.

### How do I connect my employees to the program to receive discounted dues?

The DOT will notify staff of the opportunity to receive a discount on their Society dues when they join or renew their membership. Employees receive a discount code to use when they pay. The DOT informs ASCE at least annually of participating members who no longer are employed by the DOT.

### Can my partners or contractors also participate in this program?

No. Only State Departments of Transportation member organizations and their employees are eligible to participate in and receive the benefits of this program. However, ASCE has Partner Program options for other organizations. Contact [partner@asce.org](mailto:partner@asce.org) for details.

### Do discounts apply to purchases made by the DOT as well as those made by individual employees?

Discounts apply to both types of purchases. Discounts are applied to the non-member rate or the reduced member rate as applicable.
