SPONSORSHIP & EXHIBIT OPPORTUNITIES

Conference/Event	Topics/Demographics	Number of Attendees	Call for Presentations Deadline
Geo-Extreme geo-extreme.org November 2-5, 2025 Long Beach, CA	A multi-disciplinary forum to discuss how the geo-engineering community can work with other professionals, e.g., climate scientists, engineers, emergency managers, resilience and sustainability investigators, insurance experts, and policy makers, to properly cope with extreme events (such as hurricanes, floods, extreme precipitations, droughts, wildfires, debris flows, earthquakes, tsunamis, landslides) under a changing climate.	300	November 1, 2024
Regions 1, 2, 4, 5 Multi-Region Leadership Conference www.asce.org/education-and-events/events/meetings/2025-mrlc-1-2-4-5 January 8-10, 2026 Jacksonville, FL	Workshop for Section, Branch, and Institute Leaders (Includes Society Directors and Region Governors) • Eastern Region Younger Member Council • Workshop for Student Chapter Leaders	400	N/A
Regions 3, 6, 7 Multi-Region Leadership Conference www.asce.org/education-and-events/events/meetings/2025-mrlc-3-6-7 January 29-31, 2026 Chicago, IL	Workshop for Section, Branch, and Institute Leaders (Includes Society Directors and Region Governors) • Central Region Younger Member Council • Workshop for Student Chapter Leaders	450	N/A
Regions 8, 9 Multi-Region Leadership Conference www.asce.org/education-and-events/events/meetings/2025-mrlc-8-9 February 26-28, 2026 Reno, NV	Workshop for Section, Branch, and Institute Leaders (Includes Society Directors and Region Governors) • Western Region Younger Member Council • Workshop for Student Chapter Leaders	450	N/A
EWRI Low Impact Development www.lidconference.org March 1-4, 2026 Jacksonville, FL	Professionals involved in interdisciplinary practice, research, and implementation of LID, green infrastructure, sustainable urban drainage systems, and water sensitive urban designs.	600	August 1, 2025
GEO-Congress www.geocongress.org March 9-12, 2026 Salt Lake City, UT	Geotechnical scientists, engineers, technologists, and organizations interested in improving the environment, mitigating natural hazards, and constructing economically engineered facilities.	1400	February 12, 2025

SPONSORSHIP & EXHIBIT OPPORTUNITIES

Conference/Event	Topics/Demographics	Number of Attendees	Call for Presentations Deadline
Construction Institute (CI) and Construction Research Congress (CRC) www.cisummit-crc.asce.org March 18-21, 2026 San Antonio, TX	Construction research professionals, contractors, owners, designers, and other construction industry stakeholders from all over the country come together to meet and share new developments and innovative practices in the construction industry.	500	April 21, 2025
Architectural Engineering Conference www.aei-conference.org March 18-21, 2026 San Antonio, TX	Co- Located with the Construction Institute's CI & CRC Joint Conference 2026 offering an exceptional opportunity for architectural engineering professionals to engage with leading voices across construction research and industry practice.	300	September 15, 2025
ASCE Legislative Fly-In www.asce.org/advocacy/legislative-fly-in March 18-21, 2026 Washington, DC	ASCE members involved in domestic public policy and advocacy work, members of the ASCE Public Policy and Practice Committee, as well as the constituent policy committees.	250	N/A
World Environmental & Water Resources Congress www.ewricongress.org April 26-29, 2026 Mobile, AL	Academics, engineers, corporate decision makers, engineering and consulting firms, federal and municipal researchers engaged in environmental and water resources engineering disciplines, government and military agencies, and resource management organizations.	900	August 27, 2025
Structures Congress www.structurescongress.org April 29-May 1, 2026 Boston, MA	Structural, construction, bridge, building, and research engineers, owners, presidents, CEOs, technical staff, senior and middle management, academia, and students.	700	June 4, 2025
International Conference on Coastal Engineering (ICCE) www.icce2026.com May 17-22, 2026 Galveston, TX	Coastal Engineers, Coastal public and private researchers, Coastal Academia, Practitioners, Utilities and policy makers (regulators), Manufacturers, Mgmt companies, and Software houses.	1000	October 1, 2025

SPONSORSHIP & EXHIBIT OPPORTUNITIES

Conference/Event	Topics/Demographics	Number of Attendees	Call for Presentations Deadline
International Conference on Transportation & Development (ICTD) and Automated People Movers & Automated Transit Systems Conference www.asce-ictd.org June 28-July 1, 2026 Detroit, MI	Federal, state, and local transportation departments, private industry, and research institutes, emerging technologies, transportation safety, traffic operations, infrastructure systems, sustainable transport, planning and development, rail transport, APM and transit system designers and operators.	800	October 8, 2025
Pipelines Conference www.pipelinesconference.org August 1-5, 2026 Detroit, MI	The premier industry event for utility and pipeline owners, design and consulting engineers, contractors, manufacturers, suppliers, and pipeline professionals.	1,100	October 1, 2025
Watershed Management Conference www.watershedmanagement-conference.org August 9 – 12, 2026 Reston, VA	Engineers, hydrologists, soil scientists, ecologists, foresters, environmentalists, and professionals from other related disciplines. Discussing current and emerging issues and knowledge related to watershed management, particularly watershed health and long-term viability.	200	November 19, 2025
Forensics Congress www.forensiccongress.org October 22-25, 2026 Lake Buena Vista, FL	This Congress brings together practicing engineers, academics, and forensic experts from various disciplines to share their knowledge and experience of the forensic engineering process.	300	November 6, 2025
ASCE 2027: The Infrastructure and Engineering Experience www.experience.asce.org March 1-5, 2027 Philadelphia, PA	ASCE, its institutes, and the Center for Technical Advancement's divisions will come together for a cross-disciplinary event. This event is for all who are invested in the future of our built environment. The target audience is practicing professionals in both the public and private sectors.	7,000	March 4, 2026

FUTURE CONFERENCES — SAVE THE DATE!

Conference/Event	Date/Location	Call for Presentations Deadline
ASCE Legislative Fly-In	April 14-17, 2027 Washington, DC	TBD
ASCE 2028	March 12-17, 2028 Seattle, WA	TBD
Geo-Congress 2028	March 26-29, 2028 Chicago, IL	TBD
Ports 2028	May 21-25, 2028 Mobile, AL	TBD
Overhead Power Line Structures Conference (OPS) 2028 (Formerly known as Electrical Transmission & Substation Structures Conference)	October 1-5, 2028 Nashville, TN	TBD
