ASCE INFRASTRUCTURE SOLUTIONS

ASCE'S INFRASTRUCTURE SHOWCASE: ELEVATING SOLUTIONS AT THE STATE & LOCAL LEVEL

ASCE to host its 2027 Infrastructure Showcase: *Elevating Solutions at the State & Local Level*

Following the *2025 Report Card for America's Infrastructure*, ASCE will gather infrastructure leaders and experts to highlight effective approaches to "raise the grade" and support better outcomes across infrastructure planning, design, and implementation. The event will mark the release of ASCE's new policy report showcasing how states and localities are addressing infrastructure gaps through investment, innovation, and resilience. This will be an exciting opportunity to bring together industry and public sector leaders to elevate proven strategies supporting the built environment.

Diamond Partner – $15,000 I One available

- Join ASCE to provide keynote remarks during ASCE's Infrastructure Showcase. The event will focus on key solutions from ASCE's Report Card across innovation, resilience, and funding. In addition to a keynote session, the half-day event will feature three 45-minute sessions. As a Diamond Partner, you will have the opportunity to provide a keynote address or fireside chat.
- Identification as the premier sponsor and featured on event marketing materials, oral remarks, and signage.
- Infrastructure Report Card Blog - Publish a guest column on ASCE's highly trafficked Infrastructure Report Card website blog with an average of 30,000+ page views per month by policymakers, journalists, and the public.
- This Week in Washington Advertisement – Three-month banner ad placement in the weekly federal policy newsletter sent to 86,000+ ASCE members.

**Content is subject to approval by ASCE Government Relations.Customers interested in webinars are required to provide an abstract prior to acceptance.*
