# SPONSORSHIP & EXHIBIT OPPORTUNITIES

Conference/Event	Topics/Demographics	Number of Attendees	Call for Presentations Deadline
<b>PORTS Conference</b> <a href="http://www.portsconference.org">www.portsconference.org</a> June 1-4, 2025 Providence, RI	An international audience of port, harbor, waterway, and marine professionals who come to share their knowledge and learn from the experiences of others.	900	March 20, 2024
<b>International Conference on Transportation &amp; Development (ICTD) and International Airfield and Highway Pavements Conference (Pavements)</b> <a href="http://www.asce-ictd.org">www.asce-ictd.org</a> June 8-11, 2025 Glendale, AZ	Federal, state, and local transportation departments, private industry, and research institutes, emerging technologies, transportation safety, highway and airfield pavements, traffic operations, infrastructure systems, sustainable transport, planning and development, and rail transport.	800	October 16, 2024
<b>ASCE Civil Engineering Student Championships</b> <a href="http://www.asce.org/communities/student-members/conferences/asce-civil-engineering-student-championships">www.asce.org/communities/student-members/conferences/asce-civil-engineering-student-championships</a> June 27-29, 2025 California Polytechnic State University, San Luis Obispo	ASCE society-wide finals events for college students and teams competing in disciplines of Concrete Canoe, Surveying, and Sustainable Solutions competitions. The event will bring students and teams from universities all around the world.	400	N/A
<b>Pipelines Conference</b> <a href="http://www.pipelinesconference.org">www.pipelinesconference.org</a> August 9-13, 2025 Tampa, FL	The premier industry event for utility and pipeline owners, design and consulting engineers, contractors, manufacturers, suppliers, and pipeline professionals.	1,100	October 1, 2024
<b>Electrical Transmission Substations (ETS)</b> <a href="http://www.etsconference.org">www.etsconference.org</a> September 14-18, 2025 Dallas, TX	Triennial conference on the analysis, design, construction, and maintenance of electrical transmission line, and substation structures and foundation for utilities, engineers, suppliers, contractors, consultants, and industry professionals.	1,600	September 9, 2024
<b>ASCE Convention</b> <a href="http://www.convention.asce.org">www.convention.asce.org</a> October 8-11, 2025 Seattle, WA	Leaders in the civil engineering industry, including corporate decision makers, CEOs, presidents and owners, senior and mid-level engineers, and academics, students, and researchers.	800	January 8, 2025

# SPONSORSHIP & EXHIBIT OPPORTUNITIES

Conference/Event	Topics/Demographics	Number of Attendees	Call for Presentations Deadline
<b>Geo-Extreme</b> <a href="http://geo-extreme.org">geo-extreme.org</a> November 2-5, 2025 Long Beach, CA	A multi-disciplinary forum to discuss how the geo-engineering community can work with other professionals, e.g., climate scientists, engineers, emergency managers, resilience and sustainability investigators, insurance experts, and policy makers, to properly cope with extreme events (such as hurricanes, floods, extreme precipitations, droughts, wildfires, debris flows, earthquakes, tsunamis, landslides) under a changing climate.	300	November 1, 2024
<b>Regions 1, 2, 4, 5 Multi-Region Leadership Conference</b> <a href="http://www.asce.org/education-and-events/events/meetings/2025-mrlc-1-2-4-5">www.asce.org/education-and-events/events/meetings/2025-mrlc-1-2-4-5</a> January 8-10, 2026 Jacksonville, FL	Workshop for Section, Branch, and Institute Leaders (Includes Society Directors and Region Governors) • Eastern Region Younger Member Council • Workshop for Student Chapter Leaders	400	N/A
<b>Regions 3, 6, 7 Multi-Region Leadership Conference</b> <a href="http://www.asce.org/education-and-events/events/meetings/2025-mrlc-3-6-7">www.asce.org/education-and-events/events/meetings/2025-mrlc-3-6-7</a> January 29-31, 2026 Chicago, IL	Workshop for Section, Branch, and Institute Leaders (Includes Society Directors and Region Governors) • Central Region Younger Member Council • Workshop for Student Chapter Leaders	450	N/A
<b>Regions 8, 9 Multi-Region Leadership Conference</b> <a href="http://www.asce.org/education-and-events/events/meetings/2025-mrlc-8-9">www.asce.org/education-and-events/events/meetings/2025-mrlc-8-9</a> February 26-28, 2026 Reno, NV	Workshop for Section, Branch, and Institute Leaders (Includes Society Directors and Region Governors) • Western Region Younger Member Council • Workshop for Student Chapter Leaders	450	N/A
<b>EWRI Low Impact Development</b> <a href="http://www.lidconference.org">www.lidconference.org</a> March 1-4, 2026 Jacksonville, FL	Professionals involved in interdisciplinary practice, research, and implementation of LID, green infrastructure, sustainable urban drainage systems, and water sensitive urban designs.	600	August 1, 2025
<b>GEO-Congress</b> <a href="http://www.geocongress.org">www.geocongress.org</a> March 9-12, 2026 Salt Lake City, UT	Geotechnical scientists, engineers, technologists, and organizations interested in improving the environment, mitigating natural hazards, and constructing economically engineered facilities.	1400	February 12, 2025

# SPONSORSHIP & EXHIBIT OPPORTUNITIES

Conference/Event	Topics/Demographics	Number of Attendees	Call for Presentations Deadline
<b>Construction Institute (CI) and Construction Research Congress (CRC)</b> <a href="http://www.cisummit-crc.asce.org">www.cisummit-crc.asce.org</a> March 18-21, 2026 San Antonio, TX	Construction research professionals, contractors, owners, designers, and other construction industry stakeholders from all over the country come together to meet and share new developments and innovative practices in the construction industry.	500	April 21, 2025
<b>ASCE Legislative Fly-In</b> <a href="http://www.asce.org/advocacy/legislative-fly-in">www.asce.org/advocacy/legislative-fly-in</a> March 18-21, 2026 Washington, DC	ASCE members involved in domestic public policy and advocacy work, members of the ASCE Public Policy and Practice Committee, as well as the constituent policy committees.	250	N/A
<b>World Environmental &amp; Water Resources Congress</b> <a href="http://www.ewricongress.org">www.ewricongress.org</a> April 24-29, 2026 Mobile, AL	Academics, engineers, corporate decision makers, engineering and consulting firms, federal and municipal researchers engaged in environmental and water resources engineering disciplines, government and military agencies, and resource management organizations.	900	TBD
<b>Structures Congress</b> <a href="http://www.structurescongress.org">www.structurescongress.org</a> April 29-May 1, 2026 Boston, MA	Structural, construction, bridge, building, and research engineers, owners, presidents, CEOs, technical staff, senior and middle management, academia, and students.	700	June 4, 2025
<b>International Conference on Coastal Engineering (ICCE)</b> <a href="http://www.icce2026.com">www.icce2026.com</a> May 17-22, 2026 Galveston, TX	Coastal Engineers, Coastal public and private researchers, Coastal Academia, Practitioners, Utilities and policy makers (regulators), Manufacturers, Mgmt companies, and Software houses.	1000	October 1, 2025
<b>International Conference on Transportation &amp; Development (ICTD) and Automated People Movers &amp; Automated Transit Systems Conference</b> <a href="http://www.asce-ictd.org">www.asce-ictd.org</a> June 28-July 1, 2026 Detroit, MI	Federal, state, and local transportation departments, private industry, and research institutes, emerging technologies, transportation safety, traffic operations, infrastructure systems, sustainable transport, planning and development, rail transport, APM and transit system designers and operators.	800	TBD

## SPONSORSHIP & EXHIBIT OPPORTUNITIES

Conference/Event	Topics/Demographics	Number of Attendees	Call for Presentations Deadline
<b>Pipelines Conference</b> <a href="http://www.pipelinesconference.org">www.pipelinesconference.org</a> August 1-5, 2026 Detroit, MI	The premier industry event for utility and pipeline owners, design and consulting engineers, contractors, manufacturers, suppliers, and pipeline professionals.	1,100	TBD
<b>Forensics Congress</b> <a href="http://www.forensiccongress.org">www.forensiccongress.org</a> October 22-25, 2026 Lake Buena Vista, FL	This Congress brings together practicing engineers, academics, and forensic experts from various disciplines to share their knowledge and experience of the forensic engineering process.	300	November 6, 2025
<b>ASCE 2027: The Infrastructure and Engineering Experience</b> <a href="http://www.experience.asce.org">www.experience.asce.org</a> March 1-5, 2027 Philadelphia, PA	ASCE, its institutes, and the Center for Technical Advancement's divisions will come together for a cross-disciplinary event. This event is for all who are invested in the future of our built environment. The target audience is practicing professionals in both the public and private sectors.	7,000	TBD

## FUTURE CONFERENCES — SAVE THE DATE!

Conference/Event	Date/Location	Call for Presentations Deadline
ASCE Legislative Fly-In	April 14-17, 2027 Washington, DC	TBD
ASCE 2028	March 12-17, 2028 Seattle, WA	TBD
Geo-Congress 2028	March 26-29, 2028 Chicago, IL	TBD
