

STAFF

Contact ASCE Online

Visit ASCE's site on the World Wide Web (<http://www.asce.org>) to locate Society services and programs more easily. Our site also provides rapid access to leading-edge professional information and resources, opportunities for personal communication with colleagues, and continuous updates on Society news and activities. Rosters for national officers and ASCE staff are also available on the home page.

ASCE's home page offers direct communication, via e-mail, with Society leadership, committees, and staff. Feedback icons within a site send mail to the related ASCE Division, Council, Section, or Institute. If you don't know whom to contact, or if you can't find an address, send your message to the Society's general mailbox (webmaster@asce.org) and we will forward it for you.

The e-mail addresses of all ASCE staff members comprise the staff member's first initial, surname, and @asce.org (host name). For example, to contact Thomas W. Smith via Internet, use the following address: tsmith@asce.org.
