

2019 SPONSORSHIP OPPORTUNITIES

YOU ARE HERE

Become an ASCE Sponsor Today!

- ▶ Showcase your products and services in front of hundreds of key decision makers
- ▶ Reach a targeted engineering audience
- ▶ Enhance your brand awareness and recognition

CONFERENCE

www.asce.org/conferences

The ASCE Difference

Conference/Website:	Description:	Date/Location:	Attendees:
Construction Institute Summit * www.cisummit.org	Attendees meet with industry and learn how to better manage risks and increase project efficiency. Attendees will have discussions with industry experts and innovators on finding solutions to current challenges in the construction industry.	March 7-9 Atlanta, GA	300
Outstanding Projects and Leaders (OPAL) Awards Gala www.asce.org/opal	This premier civil engineering event gathers the profession's most esteemed leaders for one night to honor remarkable projects and individuals.	March 14 Arlington, VA	500
GEO-Congress* www.geocongress.org	Engineers from around the globe share their geo-accomplishments and use case histories to cultivate engineering judgment espoused by Terzaghi, Peck, Prakash, and geoenvironmental engineers.	March 24-27 Philadelphia, PA	1,200
AEI Conference* www.aei-conference.org	The theme of the conference is Integrated Building Solutions: The National Agenda. It will feature speakers from government and private sectors. There will be panel discussions, case studies, product demonstrations, technical sessions, and local tours of technical interest.	April 3-6 Tysons Corner, VA	300
Structures Congress* www.structurescongress.org	Structural engineering leaders will address innovative topics with practical applications in the field of buildings, bridges, natural disasters, professional practice, risk management, blast, materials, seismic, forensics and much more.	April 24-27 Orlando, FL	1,250
World Environmental & Water Resources Congress * www.ewricongress.org	Engineers will discuss the latest trends in the industry including emerging and innovative technologies, hydraulics and waterways, irrigation and drainage, urban watershed management, stormwater planning and management, and there will be a hydro-climate/climate symposium.	May 19-23 Pittsburgh, PA	1,000
National Concrete Canoe Competition www.asce.org/concretecanoe	This competition draws engineering students with high-level skills in project management, public speaking, and practical application of engineering principles.	June 6-8 Melbourne, FL	350
International Conference on Transportation Development (ICTD)* www.asce-ictd.org	This conference features best practices and lessons in engineering smart mobility for the smart city. Attendees are professionals in infrastructure planning, design, operation, and management. Sessions will include up-to-date information about federal and state policies and initiatives that are shaping the profession.	June 9-12 Alexandria, VA	500

Representing over 150,000 members across the globe, ASCE is the leading association representing civil engineers of all disciplines. With more than a dozen year-round events, we are poised to help you deliver your message and engage your audience.

Conference/Website:	Description:	Date/Location:	Attendees:
Engineering Mechanics Institute Conference 2019 * emi2019.caltech.edu	<p>This conference is the prime venue for disseminating the most recent progress in engineering mechanics as the core discipline of science-enabled civil engineering. There will be multiple tracks in the area of computational geotechnics.</p>	June 19-21 Caltech Pasadena, CA	250
2019 ASCE Innovation Contest www.ascegrandchallenge.com	<p>This contest, part of the ASCE Grand Challenge, is a springboard for forward-looking infrastructure ideas. The contest is an avenue to transform our nation's infrastructure. It brings together the best ideas, projects, and theories for how to build a better future. It is open to innovators, entrepreneurs, students, and industry leaders.</p>	June 26-27 ASCE HQ Reston, VA	150
International Airfield and Highway Pavements Conference * www.pavementsconference.org	<p>Worldwide leaders in the fields of highway and airport pavements and airport safety technologies will gather to discuss the latest innovations in planning, design, construction, management, and preservation of highway and airfield pavements and airport safety technologies.</p>	July 21-24 Chicago, IL	500
UESI Pipelines Conference * www.pipelinesconference.org	<p>Attendees plan, design, construct, renew, operate, manage and maintain pipeline infrastructure. They include utility and pipeline owners, design and consulting engineers, contractors, manufacturers, suppliers, researchers, and pipeline professionals.</p>	July 21-24 Nashville, TN	900
Operation and Maintenance of Stormwater Control Measures* www.omsconference.org	<p>The conference addresses the growing need for state and municipal staff, regulators, consultants, and more to share successes and lessons learned around stormwater operation and maintenance.</p>	August 4-7 Minneapolis, MN	500
COPRI Ports Conference* www.portsconference.org	<p>Professionals from around the globe will share their endeavors in the planning, financing, permitting, design, construction, operation, maintenance, and security of port facilities.</p>	Sept 15-18 Pittsburgh, PA	900
ASCE 2019 Convention www.asceconvention.org	<p>Civil engineering's leading experts gather at this flagship event. Attendees include civil engineers, corporate decision makers, academics, students, and researchers.</p>	Oct 9-12 Miami, FL	800
International Conference on Sustainable Infrastructure* www.icsiconference.org	<p>ICSI 2019 will focus on what is known and what is not known about the cities of the future. Global implications of burgeoning urbanization and the stewardship of existing and new public infrastructure will be discussed.</p>	Nov 7-9 Los Angeles, CA	400

Increasing your company's visibility couldn't be easier.

No matter the size of your company, you will find a sponsorship level to fit your budget.

For a complete list of opportunities, contact **Sean Scully** at sscully@asce.org or **703-295-6154**, or **Drew Caracciolo** at dcaracciolo@asce.org or **703-295-6087**.

SPONSORSHIP LEVELS

Conference	Platinum	Gold	Silver	Bronze	Copper
Construction Institute Summit	\$10,000	\$5,000	\$2,500	\$1,000	
Outstanding Projects and Leaders Awards (OPAL) Gala	\$25,000	\$15,000	\$10,000	\$5,000	
Geo-Congress	\$10,000	\$7,500	\$5,000	\$3,000	\$1,500
AEI Conference	\$7,500	\$5,000	\$3,000	\$2,000	\$1,000
Structures Congress	\$20,000	\$10,000	\$5,000	\$2,500	
World Environmental & Water Resources Congress	\$5,000	\$3,500	\$2,000	\$1,500	\$1,000
National Concrete Canoe Competition	\$20,000	\$15,000	\$10,000	\$5,000	
International Conference on Transportation Development	\$10,000	\$5,000	\$2,500	\$1,500	
Engineering Mechanics Institute Conference		\$5,000	\$2,500	\$1,500	
ASCE Innovation Contest	\$7,000	\$4,500	\$2,500		
International Airfield Highway Pavements Conference	\$10,000	\$5,000	\$2,500	\$1,500	
UESI Pipelines Conference	\$20,000	\$10,000	\$5,000	\$2,500	
Operation and Maintenance of Stormwater Control Measures	\$7,500	\$4,000	\$2,000	\$1,000	
COPRI Ports Conference	\$15,000	\$10,000	\$5,000	\$3,000	
ASCE 2019 Convention	\$25,000	\$10,000	\$5,000		
International Conference on Sustainable Infrastructure	\$20,000	\$10,000	\$5,000	\$3,000
