

Public Policy Mission Statement

The public policy mission of the American Society of Civil Engineers (ASCE) is to serve the public and the engineering profession by:

- Advocating for the Society's strategic goal of enhancing infrastructure and environmental stewardship to protect the public health and safety and improve the quality of life.
- Encouraging the use of innovative, resilient and sustainable practices.
- Promoting the understanding and participation of ASCE members in public policy.
- Developing pro-active public policy positions on civil engineering issues.
- Educating public policymakers about the impacts of legislative and regulatory proposals on public health and safety, the economy and the profession.
