A Discussion on Pre-College and Community Outreach
Today’s Session

Introductions
Group Discussions
#ACTIVITY#
Group Discussion

- How did you learn about Architectural Engineering? (Poll?)
- Prior to college, did you know any architectural engineers?
- How would you describe what architectural engineering is to:
  - Elementary school students
  - Middle school students
  - High school students
  - Non-Engineers
- What can we do to be more involved in the community?

ASCE Resources

● ASCE provides resources for pre-college outreach programs and activities for engineers, teachers, and parents.

● Activities and videos for different age groups

● ASCEville
Break up Into Groups

- Marshmallow Tower: build a tower as high as you can using only marshmallows
- Newspaper Tower: what is the tallest tower you can build using only two sheets of newspaper
Thank You!
