

**CONSTRUCTION
INSTITUTE**

**Memorandum of Understanding (MOU)
Authorizing the Creation of the _____ Construction Institute Chapter
of ASCE**

The Construction Institute (CI) of ASCE and the _____ Section/Branch of ASCE agree to this MOU authorizing the creation of the _____ Construction Institute Chapter for the purpose of advancing the construction industry through a collaborative and a mutually beneficial affiliation.

The Construction Institute shall:

- Authorize the _____ Section/Branch to use the Construction Institute registered mark with the name _____ Construction Institute Chapter.
- Provide a link to the Construction Institute Chapter website on the Construction Institute website.
- Post events and meetings of the Construction Institute Chapter on the Construction Institute website based on information provided by the Construction Institute Chapter.
- Inform the Construction Institute Chapter about other Chapter meetings.

The _____ Section/Branch will create the _____ Construction Institute Chapter, which shall:

- Advance the construction industry in a manner consistent with the purpose of the American Society of Civil Engineers and the Construction Institute.
- Promptly begin to organize and plan meetings and events.
- Have its membership open to all members of the American Society of Civil Engineers or the Construction Institute who subscribe to the rules of the _____ Construction Institute Chapter and who have satisfied current dues requirements of the Section/Branch or the _____ Construction Institute Chapter and who are residents or employed within the Section/Branch area.
- Use the Construction Institute logo on all Chapter correspondence in accordance with Construction Institute guidelines and standards.
- As needed, draft Bylaws or Operating Rules, a sample of which is available on the Geo-Institute's website at <http://content.geoinstitute.org/groups/index.html#HowToAffiliate>.

This MOU shall remain in effect indefinitely or may be terminated, in writing, by any of the parties at any time.
